

Hello YKMH Atom Division Parents and Players,

Sorry that this has come later in the day. I have just received the Team Lists, Ice Schedule and Contact information for the Atom Division this evening. Don't panic... our first ice time isn't until Tuesday.

In way of introduction, Remy Leclerc and myself, Wendy Karstad, have volunteered to sit as Co-Governors of the Atom Division for this season. If you have questions and concerns, that your coach or team manager are not able to help with please contact either Remy or myself or feel free to email us both. If we do not know the answer, we will get an answer and get back to you as soon as we are able to. The YKMH website also has all information on it in the way of league information, policies and procedures etc. We will also endeavour to keep it up to date on Division Ice Schedules and other seasonal information.

I am attaching the Team Lists as well as the schedule for Atom Ice Times for October. Make sure you are looking at the Atom tab on the spreadsheet.

As you are aware, a lot of work goes into assessing individual players and putting together teams that are as balanced as possible across the division. To that end, the league reserves the right to make adjustments to the team rosters within the first two weeks of the season if it is apparent that teams are not reasonably well balanced (YKMH Policies and Procedures, League Team Selection, 5.10).

YK Minor Hockey relies extensively on volunteers to make the league run smoothly. Some coaches may be looking for Team Managers or other assistance with the overall running of the team. If you are interested or willing, talk to your coach and see where they could use your help. If you are interested in becoming an On Ice Helper, approach the coach to first see if they need your help in that area and if so, then you must email Kathy Yurris (iloveykmh@hotmail.com) the Director of League Programs for approval. All On Ice Helpers must have a Criminal Record Check done and have approval from Kathy Yurris.

The jerseys that have been used during evaluations must be returned this week (if you can wash it that would be helpful). Plan to wear a spare jersey at practices this week and your coach or team manager will issue team jerseys before your first game this weekend.

Myself or Remy will be at the rink at the end of Tuesday, Wednesday and Thursday practices to collect the jerseys. If you have not submitted the \$100 cheque (postmarked Mar 31, 2012) for jersey deposit, you can give it to us then, or you can submit it to your coach/team manager when your team jersey is issued on the weekend. Thanks so much for your help with this.

Please let me know if there are any misspelled names and if you would like a different email or additional email addresses added to the group mail list. Also, if you know of anyone who is not receiving these emails, please let me know as soon as possible.

We are excited for the season to begin and look forward to working alongside you.

Wendy Karstad and Remy Leclerc
